I took the first step

First Verse: As long as we are happy, all is well. ----- I just need you by my side. Then everything will be fine. ---- All I do, I do for you. Do you love me? Then do it too. _____

Chorus: And I was brave. I took the first step. I kissed you. And I was happy at this moment, when you kissed back. ---- when you kissed back. Back --- Back --- Back. __

Second Verse: Your arm around me, feels so good. ---- Your heart is always open, never shut. --- I feel safe and warm in your arms, please stay with me as long as possible. _____

Chorus: And I was brave. I took the first step. I kissed you. And I was happy at that
moment, when you kissed back. when you kissed back. Back, back, back.

Third Verse: For friendship is love, that I've now realized. ___ Our friends told us - it started more than twice what it would be there --- And that was the beginning.. _____

Chorus: And I was brave. I took the first step. I kissed you. And I was happy at that moment, when you kissed back. And I was brave. I did the second step. And you were brave. You told me befor I did it, ___ that you love me. --- That you love me. --- That you love me. _____
