

## **Birthday letter to a first-rate rapper**

Dear Mr Darren Junior, also known as V Sage

I am not just writing you because of your altered age

Yesterday I heard your voice, sometimes timing is strange

I was on my way home, right before I switched trains.

With the only difference, that this time I really listened

Not just enjoying the sounds, but making sense of your wisdom!

I agree that we're not free, since we are caught in the system

And unless we free our minds, we're forever imprisoned!

But we can't change the world unless we change ourselves.

I see you've moved to Canada, I am sure that helps

Enhancing your freedom while maintaining health!

Pursuing happiness is better than just gaining wealth.

So stay positive and smile even on your worst day

I wish you all the best, and a happy birthday.

Now we sip champagne when we thirst-ay

I hope I'll see you again before you're thirt-ay
