

You haven*t love me

You make me to cry
you done something bad
now I want to die.
I didn*t expect that from you,
you was the angel for me
now I know who you are,
you haven*t love me
but you are still in my heart
and I wish you all the best
I wish that you find someone
and give her all without rest.
I wish that you remember me
with smile on your lips
I wouldn*t forget you
until I live.
