## Say

Say that you love me
that\*s all what i want to hear,
i need it
like the air
i need it to live.
I fear life without you
that wouldn\*t be the same.
Say that you need me
i want to hope again.
Say that you think on me
that would make a smile on my lips,
please,don\*t lie
and make no tricks.
Say that i am the one for you,
make my wishs come thruth.
