

You're my best friend

You're my best friend,
and you're far away,
i give you my hand,
and i hope, you're find the right way,
you're my best friend,
i'll you missing,
i give you my hand,
i hope you hear, what i say.

You're my best friend, oh yeah,
this isn't fair,
i look in the air,
i'm sad,
cry in my head,
this is so bad,
i going to my favorite place, to my base,
i say all about you, my best friend,
i make a and i see you in my head,
i don't to manage without you.

I see a lights,
the lights are shining,
in the night tonight,
i hope, when i look to the right side,
you're stand on my side,
however far away you may be,
i'm at you,
you're at me,
nothing can to separate us.

You're my best friend,
and you're far away,
i give you my hand,
and i hope, you're find the right way,
you're my best friend,
i'll you missing,
i give you my hand,
i hope you hear, what i say.
