

Mein freier Tag - A day off

We gonna sleep tonight under an oak tree
Through sheltering branches we will see
The firmament with all his glance
The spirits during their night dance
We gonna sleep tonight under an oak tree

In the morning waking up with all the birds
Silently, renouncing words
We walk together through the woods
And taste the day with all his goods
In the morning waking up with all the birds

We swim together in the nearby lake
Enjoy the water, make a break
On the meadow, we smell the grass
Through the sky the white clouds pass
We swim together in the near by lake

When it get's dark, we light a fire
We sing, narrate and we admire
Mother Nature's gorgeous dress
Father Heaven's splendid bless
When it get's dark, we light a fire
