

## **In Love**

I didn't know what to say,  
Every time I saw you.  
Met you at the beach one day,  
But didn't know what to do.

I hid behind a car,  
When I saw you walk by.  
I want to know who you are.  
When you were here, I felt high.

I jumped for joy,  
When you told me your name.  
I bought you a toy.  
I know you think I'm insane.

We were in love,  
for only a week.  
Now, you watch from above.  
Tears are rolling down my cheek.
